PACK AWAY HUNGER MISSION PROJECT

MARK YOUR CALENDARS and join us on August 24 to pack meal packets for people who are struggling for food. The meals we pack will be used in Colorado, the United States or shipped overseas. Where the need is the greatest.

From the Pack Away Hunger website:
" 8,000 children die every day
of hunger related causes in the world"
"13 million children in the United States
don't have regular access to food"

This project makes it easy for us to feed people in need of food. Our goal on August 24 is to pack 14,500 meals. We will be packing at the Salvation Army Gym in Broomfield (1080 Birch St) Please come at 9:15 a.m. for donuts, coffee and juice and to check in packing will be from 9:30 - 11:30 a.m.

Two ways that you can help:

Donate money by August 14 for Pack Away Hunger

This allows PAH time to purchase the raw materials for the event. We would like to raise \$2000 from donations to purchase the raw materials for at least 14,500 meals August 24. \$0.28 will buy one meal. Please prayerfully consider contributing and make checks payable to Risen Savior Lutheran Church with Pack Away Hunger in the memo line.

Sign up for the event at the mission table

This is a great opportunity for families (children need to be at least 7 years old), grandparents and grandchildren, teens, and Confirmation students. You will need to sign a photo waiver on the day of the event. Pictures help Pack Away Hunger and RSLC to advertise for future events. We hope to have at least 65 people sign up.

Want to learn more about Pack Away Hunger? Visit their website at <https://packawayhungerdenver.org> or check them out on Facebook.

Any questions you might have about this event, please call Ron Friedrich, Betty Friedrich, Theresa Sinner or Pat Stoehr through the [church office](#).

See you on August 24 at 9:15 a.m.
at the Salvation Army gym in Broomfield (1080 Birch St).

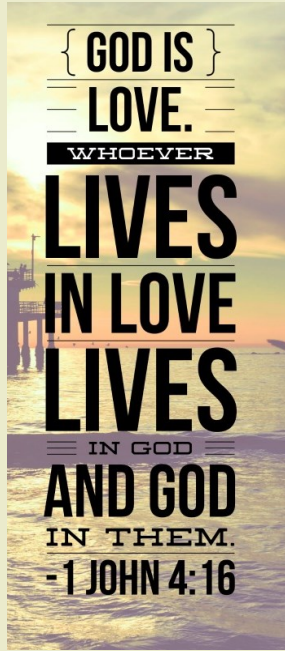

PACK AWAY HUNGER'S MISSION STATEMENT

Greatly improve the lives of children and others who suffer from hunger and malnutrition in the United States and developing nations.

"Truly, I say to you, as you did it to one of the least of these my brothers, you did it to me."

Simple ≠ Easy: Love according to 1 John

WHAT IS CHRISTIAN FELLOWSHIP?

WHY IS IT SO IMPORTANT?

Jesus brought us a whole new way to love God and love each other. Understanding this kind of love turned the apostle John's life inside out. It can do the same for us!

This epistle is a distillation of what John, written when he was an old man, wants people to remember about the faith at a time when people were being persuaded to believe a new "advanced" view of God. Sound familiar?

This Book of the Bible discussion and sermon series will challenge you to experience great joy in Jesus. Come each Sunday to hear the message during worship. Join a Connect Group or start a new group to further discuss what this means and how to apply it to your life. Get ready for a transformation!

My prayer is that you will love deeper, live fuller, and walk farther in your faith than ever before.

Blessings in Christ,
Robin Duclos

[Director of Group Ministry and Administration](#)

Connect Groups are vital to the ministry of Risen Savior Lutheran Church. Here, people find a place to belong in a small group where healthy, loving Christ-like relationships can develop. Here, we grow and learn how to apply the truths of God's Word. Here, we work together to serve our church and the community.

A MESSAGE FROM PASTOR CAMERON'S

FIGHT...FLEE...STAND IN ALL CURCUMSTANCES, IN FAITH CALL ON JESUS

Typically, when people are frightened or in danger they have a “fight or flight” response. Their emotions and adrenalin are heightened. They will get ready for battle. If they are frightened for someone they care for or believe someone they love is in danger, it’s not surprising to see them go into “Momma Bear” mode. They will do anything to protect their child or loved one.

Sometimes they avoid the threat and flee when frightened. This is not necessarily the best response either. Some dangers that frighten us need to be challenged. It’s not always wise to run from the bully.

There is a 3rd response that I believe is more typical than “fight or flight” and that response is “freeze.” When danger presents itself, instead of fighting or fleeing we do nothing – we just stand there. This “deer in the headlights” reaction is really inaction. Rather than confront the danger or get away from the danger, we remain susceptible to harm.

What’s typical in our society isn’t always smart nor God-pleasing. We pray in the Lord’s Prayer, “deliver us from evil.” Jesus knew that in this sin-filled world physical and spiritual dangers would be a part of our lives. He gives us another response to the perils in our life: Faith.

Faith and trust in Christ is our best response to the hazards we face. We trust that He is with us, is able to protect us, and will guide us. Like a Good Shepherd, as we walk through the valley of the shadow of death” (**Psalm 23:4**) we will fear no evil, because Jesus with us. That’s faith facing fear.

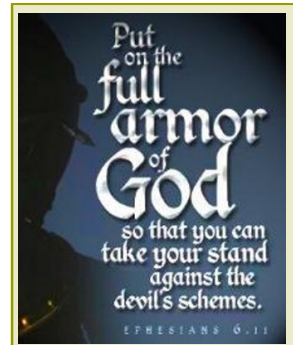

The Good Shepherd may want us to fight ([Ephesians 6:10-18](#)), flee ([2 Timothy 2:22](#)) or stand ([Philippians 4:1](#)).

Whatever our response to the evils from which Jesus will deliver us, we will do so with confident faith that He loves us and will be with us.

HELP THE GRIEVING

Our church sometimes hosts funeral receptions for members. Risen Savior’s Funeral Reception Team helps on the day of the reception to set out food and clean up; occasionally they may also man the guest book table or set out flowers on the altar. If you have a caring and compassionate heart, and would be willing to lend a hand for a couple of hours on a “will-call” basis as part of this team, please sign up at the Information Center or call the church office. SUNDAY 9:30 A.M. ADULT BIBLE STUDY

Sunday mornings 9:30 a.m. Rooms 304/5

1 & 2 Peter through Sept 1

The letters of 1 & 2 Peter were written to encourage believers in their faith. But the apostle's words are just as relevant to believers today as they were to his original readers. The leader is John Elverum.

Lutheran Worship September 8-October 13

This 6-week study is divided into three sections. One is a look back in history at how Lutheran worship developed and where we are today. Then it gives us an understanding of the Biblical perspective of worship. Finally, how the Lutheran service developed and we'll discuss the richness of what we have. The study reviews the Church Year and the significance of and benefits of following that liturgical calendar. There will be time for questions and answers. Most churches spend very little to no time educating its members on worship, so this class will either be a good refresher or a course designed to help you appreciate the incredible liturgy and worship that Lutherans have had over the centuries and the amazing God that we're worshipping. Psalms of Divine Wisdom by Dr. Joel Biermann

In this video series on Titus, we are challenged to display the Gospel in our lives through doing good, not to earn God's favor, but as a result of God's blessings to us. When the Gospel has truly taken root in our lives, it produces the fruit of godliness. As we pass these things on to future generations, the Church stands in bright contrast to the darkness of the world.

RISEN SAVIOR'S GOING GREEN!

Stewardship – we are responsible for all God has given to us, and we are to be good stewards of it. One way we are doing that is by switching to a more cost-effective coffee (and vendor) that members rated as “better” than our current coffee.

What else can we do?

- **REUSE/REPURPOSE:** Why spend money on items that add to our landfill problem? Reusing items is our “greenest” solution.
- **WHAT CAN YOU DO?** Use coffee/tea cups that can be washed and re-used.
- **WHAT IS RISEN SAVIOR DOING?** Encouraging members to bring and take home your own travel cup each time you come to church.
- **RECYCLE:** [next best option is to use items that can be easily recycled/composted.](#) [Be a good steward of the world God has entrusted us with.](#)
- **WHAT CAN YOU DO:** Use “earth-friendly” cups when your cup/glass is not available. Take advantage of our current recycling programs at RSLC.
- **WHAT IS RSLC DOING?** Switching to non-Styrofoam products that are less harmful to us and our environment. These will be available for everyone who didn't bring a cup, including guests, visitors, and those who forgot their cup.

Other areas that can be rolled into this campaign could be:

- Using recycling bins at church for all recyclable products, such as bulletins
- Using church silverware vs. plastic utensils for smaller events

TRIANGLES

The triune God of the Bible reveals Himself in three persons. A *triangle* of characteristics reveals the mysteries of creation, redemption and sanctification for a full life. Here we see perfect power matched with love and comfort that is beyond reason, yet true.

Life involves many triangles. A three-legged stool balances anything set upon it. Ancient cultures built sacred buildings with triangular forms.

Our democratic constitutional government was built on the balance of three branches of authority; executive, legislative and judicial.

Emotional triangles govern relationships more than many recognize.

For example, in emotional triangles, when any two parts of an emotional system become uncomfortable with another, they will “triangle in” or focus upon a third person, or issue, as a way of stabilizing their own relationship with each other. Any unresolved relationships will often be played out in another relationship.

This is often a playground for Satan, but it also can be a way for the Body of Christ in the Fellowship of the Holy Spirit to provide balm that heals and binds what is broken.

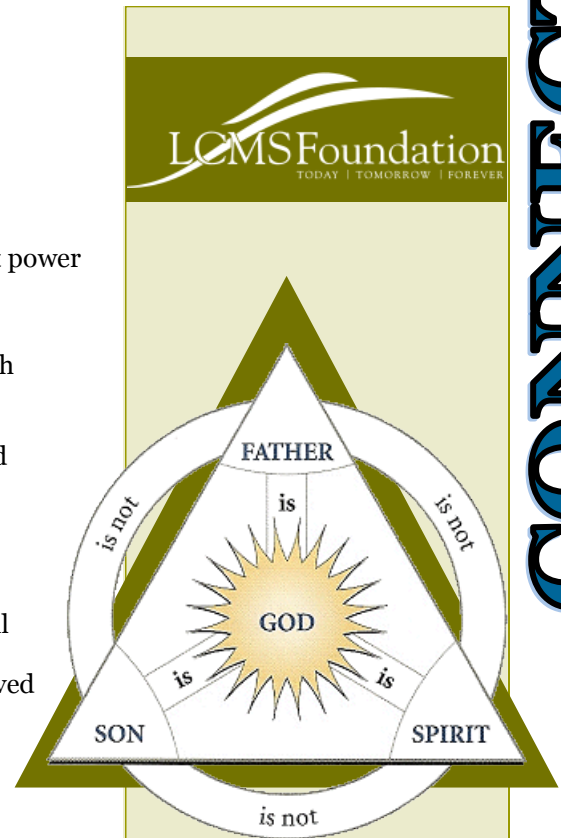

Emotionally, we can only change a relationship to which we belong requiring a third person to maintain a well-defined relationship with each, while averting the responsibility for their relationship with one another. This tenant is also true for tasks that allow stewards to faithfully manage many gifts provided by God.

Many people fail to protect life’s risks or to see the opportunity costs of decisions. Insurance can be an effective way to manage financial risks of loss, but the costs of relationship risks, or the opportunity cost of our decisions often remain unmanaged for many.

The LCMS Foundation helps people develop A ‘Lifetime Plan for Giving’ with a clear Statement of Faith, and discussion leading toward preparedness to have attorneys draft a Last Will and Testament, a Revocable Trust, plus Durable Powers of Attorney for Financial and Health Care. These can provide protection for loved ones letting them know you want them to flourish even when you’re not here to help. As life swirls around us, a ‘Lifetime Plan for Giving’ can serve as a helpful triangle to allow our earthly management to remain more objective even about intense situations, protecting our position in helping. It’s a way to be thoughtful and giving, as our God has created us to be.

SCHOOL FISH COLLECTION

Lets overwhelm children with good choices for snacks, we will collect items that are good for children.

As children are going back to school and need good things to eat. Let's help *FISH* have healthy choices of non-perishable foods for the kids to choose from.

Cereals, canned tuna, peanut butter, jelly, oatmeal packets, ramen noodles, granola or protein bars, canned pasta or spaghetti, pudding, dried fruit. Individual packets or non perishable snacks.

Dear Members,

Thank you for helping feed families and fuel hope in Broomfield! We cannot tell you how much we appreciate your generous donation to FISH

13 pounds of food and personal care items on June 7

19 pounds of food on June 24

32 pounds of food on July 1 and 8

8 pounds of food on July 16

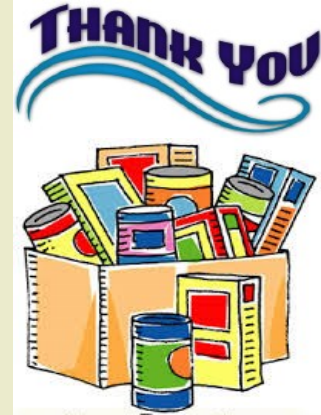

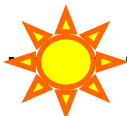

It means the world to us! Please know that you are making a real difference in the lives of your neighbors.

As a Family Resource Center, our goal at FISH is to make sure that nobody ever goes hungry and that families have the resources and support to become self-reliant. Last year we helped more than **6,000 unduplicated** Broomfield residents and distributed nearly **900,000** pounds of food. More than half of the people we serve are children, seniors on a fixed income and those with a disability! Please know that you have made a real difference in the lives of your neighbors. Because of your generosity and commitment, 92 cents of every dollar goes directly to supporting families in need.

June 2019 Success Story: "Tom" first came to FISH in January during the government shutdown. When he visited recently he told us, "You all have been so helpful to my family over the past few months. I don't know what we would have done without you!" He is a contract worker and that means that not only did he forego pay during the government shutdown, but he also did not get back-pay for time off. He said that it has taken his family four months to catch up on rent, vehicle, utilities, insurance, credit cards and loan payments. Because of FISH, Tom and his family are solidly back on their feet and will no longer need FISH's services. Tom also said that they plan to give back to FISH.

You are invaluable to Broomfield FISH and we are proud to call you part of our donor family.

ORPHAN GRAIN TRAIN NEEDS YOU!

Orphan Grain Train is a Christian volunteer network that ships donated food, clothing, medical and other needed items to people in 69 different countries including the USA.

One of the 27 Regional locations, the Colorado West branch is in our backyard. This branch has blessed by an abundance of donations but they are in desperate need of more helping hands to sort and pack the donations for shipment.

Let's get a group from RSLC to sort and pack one morning a month. We need to have a group of at least 12 volunteers so we have team of 5-7 to pack each month. We would like to get started in September. Tentatively, we are thinking of the second Tuesday of the month. The warehouse has recently moved to Gethsemane Lutheran Church on Washington Street from its previous location near 144th and Washington. This means there is now heat, AC and most important indoor plumbing! If you wish to volunteer or if you have any questions/comments, please contact Norm and Nancy Terry, Kay Moeller or Linda Harsh through the church office.

Upon arrival in the US on June 1, we hit the ground driving. Landing at 9:30pm on a Saturday night, J.P. preached and presented Sunday morning. We were all a bit groggy but remained grateful for the warm reception in Northern Virginia. Since then, there hasn’t been much time to rest. J.P. spent two weeks in St. Louis for intensive coursework, successfully completing his 4th semester. Moreover, we’ve visited churches or other groups in Virginia, Tennessee, Missouri (pic d, at LCMS’ headquarters), Illinois (b), and Wisconsin, putting in some 4,000 miles of driving time! What a gift it is to visit with God’s people all over the country! We are grateful for your hospitality, encouraged by your questions, and energized by your passion for God’s global mission. During one presentation in Nashville (a), J.P. only got through a few of his slides because of the incredible number of excellent questions. That is just the kind of presentation we LOVE!

The last Sunday in June was particularly noteworthy. Visiting our home church, Redeemer Lutheran in Richmond, VA, we were humbled by an ordination anniversary celebration held for J.P.’s 10th anniversary as well as another pastor’s (Rev. Bill Burgett) 30th anniversary (c). J.P. loves what he does, and it was a real joy to celebrate God’s faithfulness in sustaining so many years of ministry at the very spot where J.P. was ordained in the first place!

In July, J.P. and/or Aimee and the kids will be in Virginia, Maryland, Nebraska, Iowa, New York, and Michigan sharing about God’s mission in Cambodia. Please see here for a complete schedule, and do let us know if we will be near you!

SERVICE

MISSION
OF CHRIST

"For we are co-workers in God's service; you are God's field, God's building."

1 Corinthians 3:9

Mission of Christ Network is a proud sponsor of Stronghold Cambodia. We support the mission work they provide, and we encourage you to help us make an impact with Stronghold Cambodia today!

Stronghold Cambodia provides wraparound support for the child and the family, enabling them to learn, grow, and flourish. Your donations and your prayers will ensure a child's future is bright!

Stronghold, a registered NGO (Non-Governmental Organization) in Kampot, Cambodia, is a before and after school program that teaches English as a second language, basic computer skills and provides a daily nourishing meal to children in their surrounding community. More importantly, Jesus is introduced to children who live in a country that is 95% Buddhist. Stronghold is locally led by a Khmer staff and a committed gathering of volunteer missionaries. Stronghold strives to focus wholly on each family, building relationships to equip families

"THERE IS NOTHING GREATER WE CAN GIVE A CHILD THAN AN INVESTMENT IN THEIR FUTURE AND THE OPPORTUNITY TO LEARN ABOUT JESUS."

Often times the families we serve cannot afford basic needs, much less an investment into their children's future. Your \$50/month (\$600 a year) tax-deductible scholarship allows one child to attend Stronghold Cambodia where they will be nurtured educationally, physically and spiritually. Your scholarship goes 100% to the expenses associated with running our program. Stronghold offers:

- Education through consistent curriculum and focused teaching.
- The physical tools for children to be successful (meals, classroom supplies, school clothing, a Bible, etc.).
- Care for the whole family through home visits, food staples and healthy living classes.
- The 'Good News' of Jesus Christ through prayer, daily devotion, Bible teaching and song.

Providing a scholarship ultimately begins a relationship between you and the Stronghold families halfway around the globe. This connection, when created through God's loving hands, has the power to transform both you and the Stronghold children you are praying for whose basic needs are being met through your generous investment in their future. We commit to enabling this relationship by sending you updates of prayer needs and their journey in coming to know the saving grace of Jesus.

The Cost of Salvation

In Luke 16, Jesus told a parable of the shrewd manager. At the end of the parable Jesus says, *“I tell you, use worldly wealth to gain friends for yourselves, so that when it is gone, you will be welcomed into eternal dwellings”* (v. 9). My question is how much will it cost for one baptism? The answer: Jesus’ death on the cross. In the month of May, New Hope Church in Neenah, Wisconsin did a campaign to raise funds for ten motorbikes for the Hmong pastors in Southeast Asia to use in their ministries. Pastor Jeff Prewitt delivered the funds to the Hmong pastors. Immediately, after the Hmong pastors returned to their home countries, they purchased the needed motorbikes and started using them for the Lord’s Kingdom growth. Within two weeks, eight individuals were baptized and close to two hundred children heard the Gospel. Here is the link to a short video of the baptisms and VBS:

Salvation is a free gift because of what Christ has done on the cross. However, mission work is very expensive. How expensive is it? It costs Jesus life. Although, we rejoiced with the funds for the motorbikes for the Hmong pastors to do the Lord’s work, our family has not yet received the full financial support we needed to continue to do the Lord’s work in Southeast Asia. Currently, we reached only 82% of our fundraising goal. We pray and hope that as the Lord working through you, we will reach 100% of our fundraising goal by the end of this month. We want to thank you for your partnership in the Gospel, and for New Hope Church for raising the needed funds for the motorbikes.

A Newly Wedded Couple

After a year long of planning and waiting, our daughter Gaozong Faith Lo and son-in-law Steven Tsu Chi Yang finally tied the knot on June 29, 2019 at Redeemer Lutheran Church in Robinsdale, Minnesota. We give thanks to the Lord and our relatives for a blessed wedding. As the father of the bride, I knew I have to say a few words to the couple. So, instead of a long speech, this was what I said to Faith and Steven: “May you both live life to the fullest, and this means love each other passionately everyday, forgive each other always, impact others for eternity, and make your bed every morning.”

Fung, Kalia and Mercy Lo
