 - The administering staff may elect to disperse grant monies for the special application or may wait and disperse the funds at the appointed time. Applicants will however be eligible to receive grant monies only once during each school year.

Administration of the Grant:

This grant program will be overseen by the assigned administering staff of RSLC with regular reports presented to the Board of Directors through the administrative pastor. If funds are available, individual grants shall be disbursed each year in a fair and equitable manner.

- A preschool or K-12 student's individual grant shall not exceed one month's tuition, or 10 % of the applicant's annual (Sept – June) tuition unless specially approved by the administering staff.
- Individual grants for students enrolled in the Concordia Association "Lutheran Track" at a High school shall not exceed 7% of annual tuition or \$500 for the year, unless approved by the administering staff.
- Individual grants for college or university students should not exceed \$1,000 or 5 % of the student's annual tuition unless approved by the administering staff.

Any funds that remain unused in a given academic year shall be added to the amount of available funds for future school year scholarship grants.

Funding the Grant Funding for the Scholarship Grant is requested in the RSLC annual budget meeting, and also received through donations. The budgeted amount is based on the prior year request, the number of eligible students, congregational giving, the growth of the congregation, and the unused funds available.

Donations, gifts, bequests, and fund-raising monies are received into the RSLC Scholarship Education Grant Fund. The US guidelines governing charitable donations¹ require that no goods or services be exchanged for the donation, and that donations made may not be student-specific.

Awarding the Grant Scholarship Grant awards will be approved by the administering staff. Grant monies will be awarded in each recipient's name, and sent to the recipient's school to be applied to their tuition.
