Welcome Back To Indoor Worship

It's been almost 6 months since we've all been able to worship together like we used to. Has it really been that long? With your help, we've put together 22 online services, 8 outdoor services, and 2 indoor services, and still so much of our worship is and has changed.

Maybe you are worshipping...

- At home in your pajamas, comfy on the couch, with your coffee and your pets.
- In a lawn chair in the parking lot, enjoying the breeze, perhaps also with your pets.
- In your car, with the windows down for the breeze and the surround sound, with your pet.

AND FINALLY

- Indoors, with a mask and some social distance. It's nice to be back!

It's easy to get frustrated with change, especially when it is forced upon you, but I prefer to take a positive view. Church in pajamas was my favorite part of quarantine. The ability to bring our pets to worship with us outdoors, super awesome! Enjoying an intimate traditional service indoors, the sound of the organ is enough! However you are worshipping right now, I hope that it uplifts and comforts you. I hope it is a bright spot in your week and that it draws you closer to God.

Ask an Elder to Bring Worship, Prayer and/or Communion

Some of our members are not able to come to the Lord's Table, therefore the eElders would like to bring the Lord's Table to you. For those members who have chosen to stay at home during these times, the Pastor and Elders are equipped as servants of the Word to bring worship, prayer and communion to you, upon request. Please follow this link to sign up to receive home communion.

May God's abiding Grace and Peace be with you, now and always.

Please join me with a BIG shout out of thanks to the team who worked hard for many days in July to remove the overgrown shrubs from the west side of the building.

This team was lead by Herm Heine. And Kevin Hischke who rallied many faithful hands with the Cornerstone ministry to pull this off.

This was a BIG job and long overdue.
THANK YOU TEAM!!!

Pray for Volunteers

Heavenly Father, only You can raise up a great army of men and women, to volunteer in Your church. Call those who You have chosen to serve in the church with the gifts and talents that You have given them.

Rally a mighty army of volunteers, who will give their time, seek Your will, and step out in faith.

Call men and women who will humbly and faithfully seek You. Help them to know that it is in giving of ones self that we receive. Fill these volunteers with your love and assurance giving them the ability to work together where you have sent them. Give them Your grace and strength, hope and perseverance, thoughts and ideas to make the mission or ministry they volunteer for successful. Guide them in spreading Your love and hope throughout the church and then into all the land.

I pray that You would protect Your willing volunteers, in body and mind. As each enters Your service guide them through successes and difficulties. Help them to see Your path for them, giving them thoughts that can turn a negative into a positive. Lord, I do ask for Your special protection to surround all those that answer Your call, that they will be guided to the place where You would have them be, and to the work to which You have called them.

Provide for the needs of those that have volunteered to Your call, praying that You would lead and guide them in all things. I ask Lord, that You would not only provide for the bodily needs of this

life, but that You would provide for their spiritual needs and draw them ever closer to You, Jesus.

Fill the hearts of Your children to answer this call to "Go", volunteering to be Your hands and Your feet, and to tell the truth of Your great sacrifice of love.

Call many to volunteer to Your work, knowing that the night is fast approaching when no one can work. May their lives produce a great harvest, to Your praise and glory. In Jesus' name we pray, Amen.

Heavenly Father, please help the Salvation Army to get their After School care license soon and to send them a loving and dedicated person for the directorship so they can get their program up and running. Many teachers and families are depending on this program in order that they will be able to return to work. Keep them from getting discouraged by looking to You for hope and guidance in getting it resolved according to Your will.

In Jesus' name we pray. Amen.

WE PRAY TOGETHER...Father, open our hearts and minds to your will as we plan events for the rest of this year. Help us to encourage each other during these uncertain times. We ask You to bless each one of the ministries that we are supporting through our Mite offerings. May our Mites gather quickly so many will learn about Jesus their Savior. All this we ask in your Holy Name, Amen

WE PRAY TOGETHER ... Most Holy Lord, You created us in Your image, but sin entered in and broke that relationship. We now face many life issues as a result of sin and our failure to appreciate the life with which we have been blessed. Forgive us, Lord. Give us hearts that care for and value the life we have been given by reaching out to those in need of Your love, grace, and mercy.

In Jesus' name. Amen

Sunday Worship

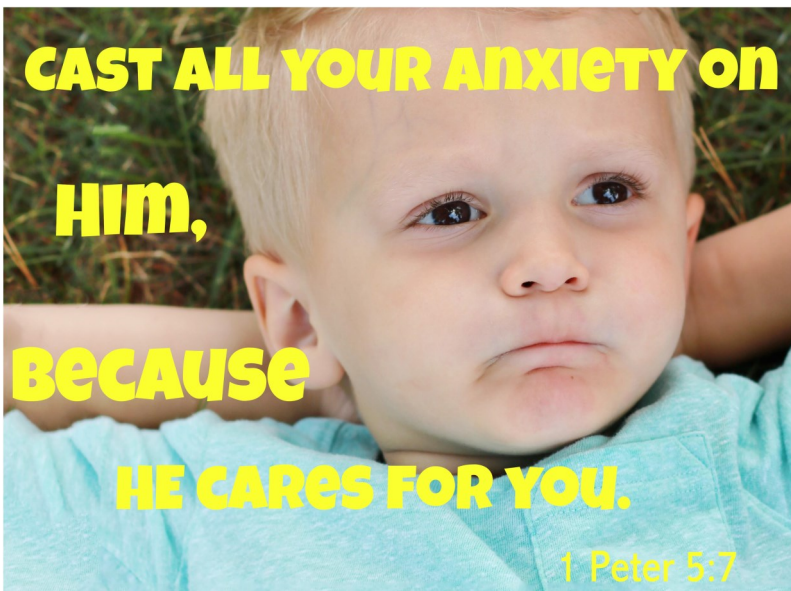

Children are welcome to come to worship!
They will sit with parents in their household group, and activity pages and/or craft will be distributed.

This verse from one of our recent Sunday School lessons is of great comfort:

Cast all your care (worries) upon God, because He cares for you. 1 Peter 5:7

May God continue to give you HIS peace and strengthen you throughout this uncertain time.

VBS Recap! Answered Prayer!

In July, we experienced 5 days of online, interactive VBS!

It was wonderful to see the children learn important spiritual lessons and Bible verses, sing songs, complete crafts, eat snacks, etc...

We had 13 registered children, and a few other friends joined us along the way. We even had 2 children participating in other states.

Children's Ministry

Thanks to the Martchenkes for helping assemble kid's bags.

A special thanks to our helpers: Lori Aadsen, Betty & Ron Friedrich, Michelle Martin, and Becky Warren!
Also, thank you to those who made a special monetary donation towards VBS.

The extra funds for awesome materials were very much needed and appreciated.

Most importantly, we were reminded that the world is like a wild Rainforest,
and Jesus is the ultimate guide for our lives!

ZOOM AND IN PERSON BIBLE STUDY

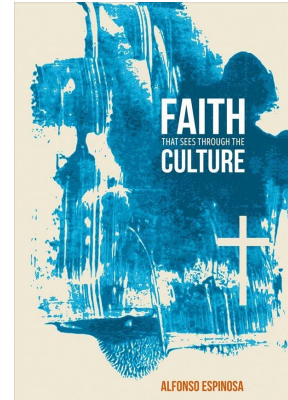

Sunday mornings, Time Change to 10:15 a.m. August 2

Dr. Alfonso Espinosa 6 week class begins August 2

God's Word is filled with paradoxes. It's tempting to see these paradoxes as either-or statements—one must be true and the other must be false. End of story. Case closed. But the paradoxes in the Word of God are different. They are both-and statements, at once seemingly contradictory but both being wholly and completely true. As Christians, we live in this tension, embracing that two sides of the same coin can be true at the same time.

Wednesday mornings, 8:30–10:00 a.m. Begins August 5

Meet in the Courtyard for social distancing and bring your mask and coffee.

As a parent we should know the current concerns and values of children, it's harder as grandparents. As a math student, not knowing basic multiplication facts sets you back. As a cornerstone guy, keeping that chainsaw sharp gets the job done. As a child of God keeping our eyes on Jesus and hearing and knowing His will keeps our tools sharp. How is that done? Reading, hearing and sharing the words of God.

Change

If we live long enough, we will find ourselves resenting change, at least in some ways. We must adjust as loved ones are called home to Jesus, no longer by our side in this earthly life. Institutions that were dependable are long since gone. Social graces and signs of respect we learned as children may no longer be present.

Change is inevitable here on earth. Part of the reason for this is that we live in a world that bears the curse of our sin. That curse will remain until our Heavenly Father brings about the new heavens and the new earth, through His powerful Word, our Lord Jesus Christ.

Some change is great! A vaccine for polio changed fear of disease to confidence to live life again. Technology gives us access to speedy information and entertainment we could never have dreamed.

But much change bears the stain of decay. That is the kind of change that causes us to hurt and grieve. Yet with all Christian grief, we do not grieve without hope. We have our Lord Jesus Christ who is going to give us our place that He has prepared for us.

Wouldn't it be great to put down into words that hope that resides in your soul? The Spirit has used the Word to call you to faith and now you have something very special to share. You can share that as a preamble to your Last Will and Testament, or as a family blessing apart from your legal documents. Creating this message is your way to make sure that your children or their children know exactly what you have believed, and they receive the charge from you to continue in that faith from generation to generation. This can be a great encouragement, especially in these times of rapid change.

CORNERSTONE MEN'S MINISTRY INVITATION

Meet Saturday, August 15, 7:00 a.m.

We've lost count of the number of homes we've cared for since Cornerstone's inception 11 years ago, but numbers are not our focus. Cornerstone is about men of the church caring for widows, widowers and single parents by helping in whatever way we can. Paint, repairs, lawns, windows, sprinklers, plumbing, computer skills, appliances and people skills all show up in our team members.

- If you could reserve one Saturday a month for 3 hours for someone else, contact Kevin Hischke through the [church office](#).
- If you have a need at home and would like to talk it through with another person or a team, or would like a team to come over contact Kevin Hischke through the [church office](#).

Orphan Grain Train +

During these uncertain times we were able to see one of God's many plans unfold. On December 17, 2019, volunteers at the Norfolk warehouse in Nebraska loaded 10,000 pounds of edible split black beans, 51,840 Kids Against Hunger Meals, and 153,000 Mercy Meals in a shipping container destined for Liberia. While planning and loading this shipment, none of us knew that the Coronavirus would soon be among us. God had a plan for this shipment to help ease some of the suffering and effects from COVID-19 through Rev. Earley with Children Relief Services in Liberia.

Due to the economic situation, coupled with the inception of the Coronavirus, many children, parents and disabled were going to bed hungry thereby leading them to begging in the streets of Monrovia. The shipment of food arrived in time to share with schools, orphanages, widows, the blind and disabled individuals before the 'stay home' orders were put in place.

Praise God for the establishment of Children's Relief Services with the support of food from Orphan Grain Train's generous donors and volunteers so that many in need are provided daily meals.

Requesting Support for Staff in Gulu

About two years ago I spoke to the Women in Mission and spent a Sunday with Risen Savior's Congregation to spread the word about "Our Call Missions" and my work in Uganda with children's education. I am also working with an organization that encourages local leaders to take charge of development in Gulu. Due to the pandemic, the cafe that supports a large number of people with employment has had to close down, making it difficult to pay salaries. The reason the need is so great there is because if people don't have work, they won't have money. They don't have savings to fall back on or credit to use.
