In October you are invited to earnestly pray for our country.

I recently shared with the congregation the blessing that prayer books can be to your spiritual life. Often I struggle for the right words to convey what my heart longs to say. Prayer books have often helped me find the right words to connect my mind and heart as I pray. In "My Prayer Book" that we give to the confirmands is a whole section entitled: "Prayers Pertaining To National and International Life."

Included in those sections are prayers for peace, for the government, for the President of the United States, for the nation, for men and women in the armed service, for rain, and prayers during unfavorable weather and in days of drought. I would like to share with you the prayer:

"For Government."

Almighty God, our Help in ages past, our Hope for years to come, of whom is all rule and authority in the world, I come before You with a prayer for our government. I am grateful for the good government that You have ordained to rule in our land. You have blessed our country and our people. Bless, I pray You, all who are in authority in our land with wisdom and understanding, with love for righteousness and peace, that under their leadership our country may continue to enjoy Your grace and favor. Help me, by Your Spirit, as a good citizen to give our government the things that belong to the government and not to forget that I must give You my God what belongs to You. May Your name be hallowed! For Jesus' sake. Amen.

As our country is in turbulent times, your prayers are extremely important. May we learn to call upon God's name in times of trouble and to pray, praise and give thanks to Him who gave His Son to be our Savior.

This beloved psalm can breathe new life into women who are weary and unsure of their next steps. It's more than a psalm that comforts in death; it gives confidence in life.

- Explore the depths of God's compassionate care.
- Trade the myth of self-reliance for the truth of God's providence.
- Learn to view your vulnerability as strength essential to relying on God.
- Banish fear as you trust the Shepherd's goodness in every season of life.

This is the Day by Tim Tebow

Have You ever felt stuck?

Sometimes life feels rigid - as if nothing could ever really change.

Maybe we're afraid of taking a step of faith. Or maybe we're too inured from the past to move forward. Or maybe life threw us a curveball and we still don't know how to react.

No matter where you find yourself, you can make the most of today. In this series Tim Tebow shares stories from his life to illustrate what it means to seize each day for God's glory. He challenges us to step out in courage because this the day to act.

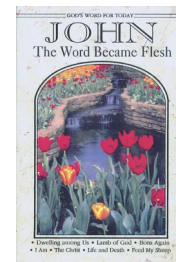

MEN'S BIBLE STUDY

Wednesday mornings, 8:30-10:00 a.m.

Meet room 201 or in the Courtyard for social distancing and bring your mask and coffee.

As a parent we should know the current concerns and values of children, it's harder as grandparents. As a math student, not knowing basic multiplication facts sets you back. As a Cornerstone guy, keeping that chainsaw sharp gets the job done. As a child of God keeping our eyes on Jesus and hearing and knowing His will keeps our tools sharp. How is that done? Reading, hearing and sharing the words of God.

WE PRAY TOGETHER ...

Dear Father in Heaven, we thank you for blessing the LWML and assisting us to meet our national and district mite goals in the recent past. We rejoice that we were able to keep our promises to the mission grant recipients.

We thank you for the opportunity to support new mission grants. We pray that through these grants the spiritual and physical needs of people will be met. Where the Gospel is shared that through the work of the Holy Spirit more people will be brought into your kingdom. We raise up each national and district mission grant to you and pray that those who are administering the grants would be given wisdom and guidance to do your will. We ask all of this in Jesus name. Amen.

Landscaping PROJECTS

Raised Flowerbed Ministry

The raised beds began as a beautification measure to the West Side of the Church Building to enhance an other wise dull landscape of overgrown vegetation from years gone by. How are we doing? Your thoughts are invited. New concepts now come to mind, like outreach to shut ins, hospitalized with flowers greeting cards, Altar care and the like; let your imagination go wild.

For now we are just looking for members with an artistic touch to support and decorate both flower beds for the fall season, starting with artificial flowers and plants. Can you get us started? Many have worked hard with their hands and donations. Can you help?

Please contact Herm Heine through the [church office](#) with offers, ideas, or questions.

CORNERSTONE MEN'S MINISTRY INVITATION

Meet Saturday, October 17, 7:00 a.m.

We've lost count of the number of homes we've cared for since Cornerstone's inception 11 years ago, but numbers are not our focus. Cornerstone is about men of the church caring for widows, widowers and single parents by helping in whatever way we can. Paint, repairs, lawns, windows, sprinklers, plumbing, computer skills, appliances and people skills all show up in our team members.

- If you could reserve one Saturday a month for 3 hours for someone else, contact Kevin Hischke through the [church office](#).
- If you have a need at home and would like to talk it through with another person or a team, or would like a team to come over, contact Kevin Hischke through the [church office](#).

Susan's Apprehension

"If I plan my estate or end of life decisions, it means that I accept that I will die, and I don't want to talk about such things."

That was Susan's response to a Gift Planning Counselor. That counselor pointed her to the words of Jesus in John 11 when He said, "I am the resurrection and life... whoever lives and believes in me will by no means die, forever." Their conversation centered around the truth that because of Jesus and His death and resurrection, "death no longer has mastery over us." (Romans 6)

Whether here on earth or with the Lord in heaven, life continues.

"For we know that if the earthly tent we live in is destroyed, we have a building from God, an eternal house in heaven, not built by human hands. Meanwhile we groan, longing to be clothed instead with our heavenly dwelling, because when we are clothed, we will not be found naked. For while we are in this tent, we groan and are burdened, because we do not wish to be unclothed but to be clothed instead with our heavenly dwelling, so that what is mortal may be swallowed up by life."

2 Corinthians 5:1-4

Having this conversation gave Susan a sense of peace. She completed her Christian Estate Plan with the assistance of her Gift Planning Counselor. She was thankful that this process had finally enabled her to get beyond the fear of death and dying that had haunted her throughout her life.

Is it time for you to do the same?

Food supplies and Funds for purchasing food are STILL in need by the local food-bank- “F.I.S.H. They have adapted & *never closed* this year.

The ongoing ‘health-situation’ has limited available volunteers, and increased the number of residents needing their food & services.

*Although we will NOT be doing our ‘traditional’ Thanksgiving food-drive this year, we can resume active food donations look for a FISH basket at church or give, monetary donations, through Broomfieldfish.org sent through their online link, and allow God to work his miracles through us.
