**Sermon Series Fact or Friction:  
Finding HOPE in Challenging Times  
Week 1: Friction In Our Families**  
Scripture: [Philippians 2:1-8](#)

During challenging times, individuals within families have a tendency to turn inward and focus on themselves rather than focusing on those around them. However, strong families are committed to having the same mindset as Christ when they face trying times. Friction comes when each person approaches the other with a selfish attitude. The fact is that to avoid friction, each person must make the conscious decision to put others first and to serve them above themselves. It is about choosing to be sacrificial rather than selfish, and that choice brings peace.

## CROSSTRAINING Mission Project JANUARY SHOE COLLECTION

All month long Children's Ministry is collecting shoes that are new or in good condition! Collection Box by Children's Kiosk.

### Updates to Risen Savior's Curb Appeal

I am happy to report that we have completed 2 projects that improve Risen Savior's exterior appearance.

2 large evergreen trees that blocked our view of the front of the church were removed. The view now from 144<sup>th</sup> shows the cross embedded in the brickwork and our large open front porch and entryway.

This makes the front of Risen Savior much more inviting and visible from the road.

The "Trim Lights" which accent the roof line and are controllable with a spectrum of colors and visual "effects" have been installation. These lights have a variety of patterns and pulsing effects. We will use these going forward in a variety of ways for different occasions.

NEXT - Our new electronic LED signage on 144<sup>th</sup> is ordered and will be installed as soon as possible.

Certainly prior to Easter. [Ed Sweetwood, Director of Administration](#)
