"God Will Get us Through Our Tough Times"

It's been over a year since the COVID-19 pandemic came crashing into your life. To live boldly and courageously during turbulent times you need hope. Hope is founded on the confident expectation that God is working all events in your life for your good and the good of others. With hope in God's providence and goodness you can endure difficult and turbulent times of your life. Why? Because you know that God has a plan and purpose for your life. In this message we'll see how having a hopeful and positive expectation of the future will empower you to overcome evil with Good.

LCMS Foundation

In keeping the work with your estate plans connected with your life in Jesus, a starting point is to consider whether inheritance to family is an entitlement or is a plan with which to grace family members with God's gifts. That clear vision is a key point in keeping your gift plans connected with your faith. How do you see each gift conveying blessing?

Please bring these food items to share with the needy throughout Broomfield.

FISH Collection Baskets are located under the SERVICE table and by the east door.

Thank you so much for helping feed families and fuel hope in Broomfield!

We cannot tell you how much we appreciate the generous donation by the members of Risen Savior Lutheran Church to FISH of 34 pounds of food on March 9, 2021. It means the world to us!

As a Family Resource Center, our goal at FISH is to make sure that everyone has food to eat and a safe, stable home. During the pandemic, meeting residents' basic human needs is more important than ever. We are seeing double the number of families come to FISH, distributing 48% more food, and helping 6 times the number of families with rent assistance than last year. **Please know that you have made a real difference in the lives of your neighbors.**

[Online Lent Devotions](#)

[The Marks of Love](#)

These Lent devotions follow the narrative of Mark's Gospel, exploring the life and ministry of Jesus. The tragedy of Golgotha is met with the triumph of the resurrection on Easter morning. Along the way, we learn of Jesus' deep compassion for those He loved and served, including those who put Him to death.

BUTTERFLY ART FOR EASTER

Join us in covering the church for Easter with color. Just like a butterfly, transformation and preparation in life can be painful, but God is preparing us to shine his beautiful colors of love in this world. Help us by coloring butterflies throughout the Lent season to be used to bring your unique color into our Easter decorations. Bring your colored butterflies to church and look for the collection basket in the Fellowship Center.
