Easter Sunday, April 4, 2021

"He has Risen, He Has Risen Indeed, Alleluia"

Over 2000 years ago Jesus Christ was crucified on Good Friday and came back to life 3 days later on Easter Sunday. What impact does Jesus' death and resurrection have on your life today? Why does Easter matter in 2021? It matters for at least 2 reason: 1st, humanity was and is under God's judgement because every human being is a sinner who has broken God's Holy law. Jesus death and resurrection pays for our sins and our guilt. 2nd, Jesus' resurrection on Easter Sunday
