## CONGREGATIONAL SURVEY

Our church is participating in an LCMS revitalization program called Re:Vitality. This will provide opportunities to strengthen our congregation for years to come. In order to make the most of this program, we need your input to know where to start. Everyone will receive a survey via email that will be open from **August 15th-September 5th**. Greater participation gives us a clearer picture of our congregation's needs and how we can best serve the Lord in his mission for us, so please take the time to share. The results will provide direction to help us prepare for calling our new Pastor.

The link has been emailed to you from Pastor Cameron via Realm, or you can scan this QR code to access!

## SPECIAL THANKS

The Risen Savior Board of Directors wishes to express its thanks to Henry A. Sand, Esq., [www.SandLaw.com](http://www.SandLaw.com), for services rendered to the congregation recently in consultation and development of a contractual agreement. His time and attention is appreciated.

## SERMON: CHRIST-CENTERED WORSHIP

How would you rate your Worship? Is it healthy, vibrant, robust, and full of love? How heart-felt and honest is your praise to God? How fervent and frequent is your prayer life?

Do you only worship alone with God, or do you worship regularly with other Christians?

*In today's message we will examine and learn:*

- How worship begins with dealing honestly with God as he really is - holy, pure and good
- Importance of both private and public worship of the one true God through Jesus Christ

## BROOMFIELD FISH

Thank you so much for helping feed families and fuel hope in Broomfield! We cannot tell you how much we appreciate the generous donation by the members of Risen Savior Lutheran Church to FISH of **16 pounds of food**. It means the world to us! We are seeing double the number of families come to FISH, distributing 48% more food, and helping 6 times the number of families with rent assistance than last year. Please know that you have made a real difference in the lives of your neighbors.

FISH SUCCESS STORY: "FISH has given me enough food for my whole family, which lights up our life, especially my kids. Without FISH, I am not able to buy and make a variety of food and snacks for them. Thank you very much."

Thank you again for your generosity and commitment to Broomfield FISH. We are proud to call you part of our donor family!

With deep gratitude  
Dayna Scott, Executive Director  
Broomfield FISH
