GENCONNECT-Connecting families through the generations

GenConnect has a new schedule. We have switched to meeting bi-annually and have created a workshop environment. Each workshop will have a presentation on a particular topic, and those who attend are asked to bring a question related to their family history research that we can work through as a group. Our next class is Saturday, September 30th – Mapping Your Ancestral Homes – This will cover land records and mapping tools and applications

Where: RSLC

When: Saturday, September 30th from 10-noon

NURSERY OPEN!!

We now have a staffed nursery at no cost to you! Every Sunday from 9am – 12noon, Sarah Adams will be in the nursery room in the west wing. While we always welcome and encourage youngsters to be in worship, we also want you to have options and then let you choose what works best for you.

District Youth Gathering – Kearney 2023

We've got "extra" in our ordinary lives, but it's stuff that makes us anxious or sad, things that worry us, scare us, and confuse us. It's extra questions stirring within us and extra pressures all around us. Amidst these pressures and questions of life there is an amazing truth: God loves ordinary people.

"[extra]ordinary" will lead students through encounters with Jesus who answers questions and calms fears. Students will discover that the love of Jesus is the "extra" that their ordinary needs.
