NEWS & EVENTS

A PRECIOUS CHILD GIVING TREE

A Precious Child has invited Risen Savior to partner with them in their Precious Gift program providing Christmas gifts for children in need in Colorado. Share in this giving opportunity by:

1. Choosing a child's name tag from the tree in the narthex.
 2. Record your name and contact information next to the tag number of your chosen child on the clipboard by the tree. It is important to know who has chosen to provide gifts for each child.
 3. Shop for the child based on their provided wishlist. The value of the gift bundle should be \$50, even if you do not purchase everything on their list. This may be the only gift the child receives this Christmas. Feel free to partner with another family to share in the joy of giving these gifts!
 4. Label the outside of the gift bundle with the child's tag that includes their name age and tag number to insure that your child gets the gifts you chose for them.
 5. Place labeled, unwrapped gifts, along with necessary wrapping paper or gift bag, in the yellow container near the tree by the Sunday, Dec. 5th.
- Thank you for committing to provide a precious gift to a precious child this Christmas season
