## CONSTITUTION AND BYLAWS REVIEW

After thoroughly reviewing the revised Constitution and Bylaws, both the Board of Directors and the Board of Elders in joint session have endorsed them and will bring them to you for approval on January 28th at a specially called Voters Assembly meeting. At that meeting, you should expect the GO (Governance and Organization) Team to highlight the most significant changes and answer any questions. If approved by the congregation, they then go to the District's Constitution Committee for review, and if approved there, they go to the District's Board of Directors for final approval, at which point they will officially go into force. Please review these documents, hard copies can be found at the ushers table, and join us for a vote on January 28th!
